

Middle Atlantic Planetarium Society 2011 Conference
May 4-7, 2011

Presentation Proposal Form

Due 4/15/2011

Personal Information

Name: _____

Title: _____

Facility: _____

Address: _____

City: _____ State: _____ ZIP: _____

Presentation type: ☐ Paper ☐ Workshop ☐ Poster ☐ Other

Presentations: All presentations will be in one of the three domes. You are encouraged to consider presentations that illustrate use of the dome, especially for teaching.

Papers should be 10 minutes long, with 3 minutes for questions. You are *REQUIRED* to submit an electronic version of your paper for the Proceedings in order to present; this can be on a flash drive, a CD, or portable hard disk. A copy of a PowerPoint presentation alone does *not* satisfy this requirement!

Proposed workshops must be approved by the conference hosts, and should be discussed with them well before the conference. Workshops should run no more than 45 minutes.

Posters will be placed in the vendor hall and visible whenever that location is open.

If you have a different sort of presentation in mind, please contact Keith Johnson.

Brief Synopsis (use back of paper if more space is needed; we urge brevity, however!)

This will be included in the conference registration packet for delegates to look over.

Equipment Required (CD player, Powerpoint, planetarium, etc.) If you are presenting using a computer we provide, please bring your presentation on a CD or flash drive/memory stick.
